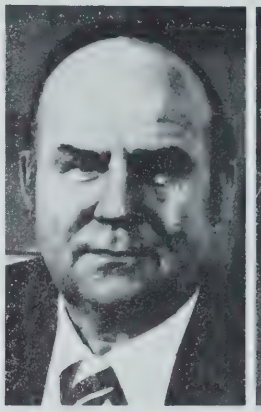
Five Good Reasons To Put Your Trust In Havey Fundraising.



"Havey Fund-Raising Management has conducted five campaigns for parishes in our diocese during the past five years. In each the goal was not only attained, but surpassed. I can only admire their ability to get things done efficiently and promptly, yet graciously."
Rev. J.E. Moroney
St. Patrick's Church

"They approached our task with genuine enthusiasm and at all times kept all of us who worked with them mindful of the goal and our responsibilities."
Paul A. Gerding
General Co-Chairman
Community Hospital of Ottawa.

"In our campaign for Milton College, they assumed a responsibility rejected by five other national fund-raising firms. As a result, Milton College has made a new beginning."
Joseph W. Kipper
Past President
Milton College

"Their record speaks for itself. In our campaign $3,100,000 was raised on a goal of $2,500,000... in a City of 35,356 people. In my opinion, this is a model campaign."
Virgil J. Waelti
Administrator
Beloit Memorial Hospital

"Havey doesn't just raise funds. Havey attains goals consistently surpassing them as was the case in the campaigns mentioned herein whose leaders have been willing to 'Shout it Out.' Despite numerous difficulties, the goal in each campaign was oversubscribed. A real tribute to what campaign leadership, effectively utilizing professional counsel, can achieve. Our experience in these programs is typical of other Havey-directed campaigns, proof of what Havey people promise: 'The Difficult Campaigns We Do Better.' You ought to get the complete success story about other Havey-directed campaigns. Call toll-free (1-800-558-7910) for an initial discussion about your fund-raising challenge. There is no cost or obligation. At Havey Fund-Raising Management Inc. we never forget that: Fund-raising... is... People." Rita J. Havey, Vice-President and Treasurer Havey Fund-Raising Management, Inc.

Fund Raising that's Community Building!

Call it enthusiasm . . . call it inspiration . . . call it satisfaction. It's the feeling that comes from being a part of something that can give renewed meaning to life. It's more than the dollars raised . . . it's the by-product of a Hank Brandt Associates directed campaign.

As a fund-raising firm, we see the dollar amount attained through solicitation as only part of any success story. The real dividend for the client is a well informed, united group of contributors who experience a real sense of accomplishment and community awareness.

We stress the personal touch and that's the principal reason why we remain a "small" firm . . . even though we raise millions of dollars yearly. Our objective is to offer quality service, individual planning and expert attention to detail. Hank Brandt Associates not only motivates potential contributors to give to the fullest extent possible, but helps people to become involved and excited about their parish, diocese, school or hospital.

If all fund raising means to you is dollar signs, maybe you're being shortsighted. However, if you want your capital-fund campaign or financial project to raise dollars and build a spirit of community too, call Hank Brandt Associates.

Mass Communicator

Da-Lite rear projection screen sets the mood for every service

Since the Church of the Resurrection opened six years ago in Portsmouth, Virginia a Da-Lite® rear projection screen has been used in every Mass. It's an effective way of making the Celebration of the Mass more meaningful.

A rear projection screen was selected since the sanctuary could not easily be darkened during the day. With rear projection, slides are clearly visible to the congregation in normal daylight hours. An additional advantage is that all of the equipment is hidden behind the projection screen and controlled from a separate room.

For added visual impact, a special mood or just entertainment...anywhere from sanctuary to classroom...Da-Lite can provide the proper screens. Wall and ceiling models...manual and automatic electric...tripod and folding portables...front and rear projection.

The Studio Center in Norfolk supplied the Da-Lite rear projection screen to the Church of the Resurrection. Write today for more information and the name of your Da-Lite Audio-Visual Specialist.

Why is RESTORATION The KEY to Many Church Budgets?

St. Joseph's Church—Topeka, Kansas

Obviously there are many reasons, including location and finances, why churches have to stay where they are...can't be replaced...must be retained.

Just as obviously, a proper restoration program not only improves the building's appearance and adds longer useful life to it, it also improves community and membership pride in the church.

Our job...and we've been successful at it for more than **39** years...is providing a restoration program that has won us a host of church friends. It includes:

ALL TYPES OF BUILDING CLEANING
TUCKPOINTING & WATERPROOFING
CAULKING · STEEPLE WORK
INTERIOR & EXTERIOR PAINTING
DECK COATING · EPOXY GROUTING
MEMBRANE ROOFING
DEFERRED PAYMENT PLAN
GUARANTEED WORK

Put your problem in our lap now by writing or phoning for full details. There is a branch office in your area to serve you.

How you involve the most people in a music program.

A music director like you may have everything you need. A graded choir program. Great facilities. The interest. The commitment. But you're not involving enough people. What program involves the most people who know music? Who know nothing about it at all? Handbells involve them both. From beginner to senior citizen. Instant Attraction. They're easy to learn because they're fun. We can help you get started with the most modern training program for the ringers. For the director. Funds? Our unique program will show you how, simply. To end with the best result, start with the best handbells. You want Malmark. Write us. In a hurry?
